To Whom It May Concern:

Precision Cabling, Inc. provided impeccable service to Alutiiq Manufacturing Contractors, LLC on a high profile United States Army Corps of Engineers medical project at Ft. Campbell, KY. PCI was asked to install a base specific telecomm/data infrastructure for a 15,000 SF Medical Center under strict Directorate of Information Management guidelines. USACE Quality Control Inspectors and DOIM Inspectors verbally expressed delight in the quality of work that was performed by PCI's on this project. Alutiiq recommends the services of PCI and will continue to request their services in the future.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dax Owen', with a long horizontal stroke extending to the right.

Dax Owen  
Area Program Manager  
Alutiiq, LLC
