Authorized
Installer

STRATEGIC PARTNER PROGRAM

Leviton Authorized Installer Certification

Precision Cabling, Inc.

Precision Cabling, Inc. has met Leviton's Strategic Partner Program selection criteria and has successfully completed the program certification course. Therefore, **Precision Cabling, Inc.** is hereby certified as a Leviton Authorized Installer, and as such, is authorized by Leviton to design and install structured cabling systems, and to support the Leviton Voice & Data's Product and System Performance Warranties.

Precision Cabling, Inc. has agreed to conform to all Leviton specified and TIA/EIA compliant installation practices as presented in Leviton's installer certification course and program policies. In addition **Precision Cabling, Inc.** agrees to install only Leviton approved products and category compliant cabling.

Approved systems designed for TIA/EIA-568B channels and registered by a certified Leviton Authorized Installer are covered by Leviton Voice & Warranties when used with Leviton Voice & Data approved horizontal cables.

All warranties cover Leviton Voice & Data's copper and fiber connectivity products including connectors, patch panels, enclosures and patch cords. When properly installed in both the telecommunications closet and the work area by Leviton Authorized Installers with the appropriate category rated cable and are in strict compliance with the electrical criteria of the TIA/EIA-568B standard will support and conform to EIA/TIA-568B specifications. In addition, these same Leviton products will be free from defects in material or faulty workmanship for as long as they are installed in a certified cabling system.

The specific terms and conditions of the Product and System Performance Warranty are set forth in the Leviton Voice & Data supplied Warranty Certificate.
